# HIGH PRESSURE JET CLEANING

**JETCLEAN**

## Truck cleaner

High degreasing power.

- ELIMINATES vegetable, mineral and animal fat deposits.
- DISPERSES dirt and carbon deposits.
- WASHES vehicle bodywork. Eliminates traffic film at a temperature above 10°C.
- DEGREASES nylon or fabric tarpaulins, cement floors.

**HYPERCLEAN**

## Bodywork cleaner

Efficient: eliminates dirt on vehicles. Economical. Excellent value for money. Versatile. Can be used with any type of washing: High Pressure, gantry roller, manual. Safety: no corrosive action on glass, paint, tarps, aluminium, plastic and chrome (at correct dilution).

Ease of use: Reduced scrubbing. The product works quickly. Can be used in cold and hard water.

## RINSING

**BIG Z**

**Powerful cleaner and degreaser to deal with problems arising from cold degreasing using a high pressure jet**

Quickly and efficiently eliminates dirt, mud, grease, cleans bodywork without scrubbing or brushing and degreases tarpaulins (nylon or fabric) when cold degreasing using a power jet. This product is multi-purpose.

**CONCENTRATED  
RINSE WAX**

**Concentrated rinse wax designed for automatic carwash facilities**

Also gives excellent results for manual use. For lasting protection. Without phosphates. Prevents rusting on paintwork. Offers a deeper shine. Coats the surface of the car with a layer of hard, shiny wax, to ensure that drops of water remain on the lacquer and then roll off.

Superior Solutions

## Automotive solutions

Superior Solutions

A well maintained vehicle, shining on the outside and perfectly clean inside, conveys a positive image of its owner and the company for which he works.

Your partner Zep Industries, with over 70 years' experience behind it, offers a range of products, equipment and services to meet all of your interior and exterior cleaning and maintenance requirements for your vehicles, from HGV to passenger cars.

We offer:

- High quality, efficient products.
- Solutions that are gentle for users and environmentally friendly.
- Modern and efficient equipment.
- A nearby sales team, always available to help.
- Constant monitoring and information.
- Just one supplier to cover all your needs.

With Zep, you enjoy the most up-to-date solutions while saving money, by buying the best value for money on the market.

## HIGH PRESSURE JET

### → HPB Bodywork shampoo

For washing passenger cars, coaches, ambulances, trucks, military vehicles, local authority vehicles. Degreasing the inside of refrigerated trucks. Does not leave smears. Ease of use: no scrubbing required. The cleaner works quickly. Can be used in cold and hard water. High foaming. Pleasantly scented. Economical. Excellent value for money.

### → HPC 87 Bodywork shampoo

**Efficient:** Removes dirt and traffic film on vehicles. Economical: Excellent value for money.

**Safety:** No corrosive action on glass, paint, tarps, aluminium, plastic and chrome (at correct dilution). Does not leave smears.

**Ease of use:** Acts quickly without scrubbing. Can be used in cold and hard water. High foaming. Pleasantly scented.

# WASHING

## MANUAL OR GANTRY ROLLER

### → BLUE MAGIC

#### Highly concentrated economic shampoo for cars and trucks

Highly concentrated product. Efficiently dissolves dirt (oils, fats) and Winter saline deposits. Does not attack the most commonly used paints, rubbers or waxes. Easy to rinse, leaves no traces. Economical: use very diluted, from 1 to 1000 (1%).

### → NEW + PLUS

#### Waxing shampoo for vehicles

Detergent and acrylic polymer based cleaner which leaves the bodywork with a protective coating. This coating gives a deep shine and repels dirt and dust. Avoid the use of drying products after rinsing. Recommended for dark colours.

### → NATURA CAR

#### Biological Bodywork Cleaner

For manual or gantry roller washing of passenger vehicles, ambulances, coaches, trucks, military vehicles, local authority vehicles, rental vehicles, boats, etc. Excellent bodywork degreasing power. Especially suitable for removing dirt and traffic film. Neutral pH: non-aggressive to metals, paints, glass or rubber. Leaves no smears. Compatible with oil separators. Promotes the phase separation between hydrocarbon and water. Can also be used with hard water.

Contains active fermentation extracts: instant organic biological and super-degreasing activity ensures in-depth cleanliness. Contains highly specialised bacteria: the biological action of the bacteria cultures continues to remove organic residue in pipelines and oil separators.

# WASHING & FINISHING

## WATER-FREE APPLICATION

### → WATERLESS CAR CLEANER

#### Waxing vehicle cleaner

Efficient: Cleans and polishes all types of vehicles in just one operation. Used without water: ideal for places without water supply or during periods of drought. Long-term protection: protects painted surfaces, chrome, rubber, vinyl, fibreglass and most plastics. Slows down dirt accumulation on vehicles. Silicone free.

### → EXPRESS WAX

#### Vehicle wax

For manual waxing of passenger cars, ambulances, coaches, buses, military vehicles, local authority vehicles. Cleans and waxes at the same time. Mixture of waxes and cleaners. Quick and easy to apply by hand. Provides a deep and rapid shine. Long-term protection: EXPRESS WAX protects the finish and repels water for 4 to 6 weeks. Reinforced with anti-UV additives. Especially formulated to be applied to all types of finishes.

**A HIGH QUALITY WASH,  
EXCEPTIONAL RESULTS,  
VERY REAL SAVINGS

# FINISHING

# RENOVATION

## POLISH ECLAT

### High shine polish for bodywork

Aerosol. Renovates the bodywork of cars and trucks. Restores brand new shine without damaging the surface. Contains mild abrasives. Silicone-free. Suitable for oxidised paint, metals (copper, stainless steel, chrome, etc.), and polyester. Easy to use, fast application. Suitable for polishing car bodies, boat hulls and metals. Does not whiten plastics.

## BRITE STALUME 27

### Deoxidizing aluminum degreaser

Deoxidizes in just one operation. High degreasing power. Dissolves grease, sludge. Eliminates surface rust streaks. Provides a glossy finish. Does not stain wash areas. Deoxidizes drop sides, aluminium dumpsters and HGV trucks.

# WHEEL HUBS AND TYRES

## READY TO USE

## WHEEL RTU STRONG

### Powerful wheel hub cleaner READY TO USE

Acid product: cleans and deoxidizes in just one application. Efficient: excellent degreasing power. Eliminates grease, oil, brake dust, mud, gunk, etc. Easy to use: ready to use product. Gives a shine support.

## NETOQUIR

### Cleans and nourishes all leather surfaces

Easy to apply: ready to use product. Contains lanolin: nourishes the leather, restoring its softness and natural shine. Pleasantly scented. It leaves the scent of new leather on surfaces. Versatile: can be used on leather, vinyl and rubber.

## READY TO USE

## WHEEL RTU 12

### Wheel hub cleaner - Acid Free READY TO USE!

Degreases and renovates wheel hubs and hubcaps without leaving smears. Easy to use: cleaner is ready to use. No corrosive vapours. No stain wash areas. Versatile: can be used on all types of hubs and hubcaps (metal or plastic).

## SILI-FREE™

### Water-based silicone-free polish

Protects and polishes a wide range of surfaces: vinyl, leather, plastic, rubber, wood, acrylic and Plexiglas, like dashboards, automotive trim, tyres, door seals, etc. Pleasant chewing gum perfume. Ideal for applications where silicones are prohibited.

## PROTECT ALL

### Polish for vehicle tyres

Gives lustre to tyres after washing the vehicle. Fast drying solvent based product. Gives tyres a uniform, long lasting shine. Waterproof. Improves the appearance of tyres. The aerosol enables uniform application.
