- Colour: colourless.
- Fragrance: alcohol.
- Other: delicate formula.

FS HYGIENE SOAP

Sanitizing hand soap

Specifically formulated for the food industry and the institutional business.

Properties

- Colour: colourless.
- Fragrance: odourless with slight alcohol smell.
- Other: contains antibacterial ingredients with a broad sanitizing action.

SANITIZERS

the solution

Zep has developed and created **a range of products** to suit all requirements: powerful industrial hand washes that are gentle on hands. Sanitizers that are ideal for the food industry; they are modern and attractive products for restaurants, hotels and public amenities.

The Zep dosing systems allow rational and economic use of the products in every situation: robust and reliable dispensers with an attractive design to suit all situations.

DISPENSERS

HANDWASHING DISPENSER + 1 L CARTRIDGE

The system consists of an exclusive collapsible bag (1 litre cartridge) and a handwashing dispenser.

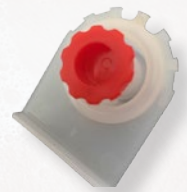

+

- The cartridge can be combined exclusively with the Handwashing dispenser. It is not possible to insert other types of packaging thanks to the unique mapping of the connector.
- The cartridge is collapsible, it can be emptied completely and it is easy to replace.
- The dispenser is easy to use and matches the Zep handtowel dispensers. There are two versions:

- HANDWASHING SOAP DISPENSER
- HANDWASHING FOAM DISPENSER

+

D4000 + 1 GALLON BOTTLE

The system consists of an exclusive 1 gallon (3,785 L) bottle that is specially designed to fit the D-4000 dispenser which ensures maximum robustness and practicality.

- Made of robust materials and designed to withstand continuous use.
- Simple to install and changing the bottles is fast and easy.
- Four different dispensing volumes can be set (between 1 and 5 ml).

HEAVY SOILING

TKO

Powerful hand soap, solvent-free

Ideal for heavy soiling and does not irritate the skin.

Properties

- Colour: Blue-green.
- Fragrance: lemon.
- Other: contains "scrubbing" beads, solvent-free.

CHERRY BOMB

Powerful industrial hand soap

Ideal for heavy soiling in all industrial applications.

Properties

- Colour: red.
- Fragrance: cherry.
- Other: contains solvents and pumice.

GRIP

Industrial hand soap

Effective on all types of soiling. Ideal for removing paint.

Properties

- Colour: amber.
- Fragrance: cream.
- Other: contains solvents and 'scrubbing' beads.

REACH

Industrial hand soap

Effective on all types of dirt. Ideal for removing glues and resins.

Properties

- Colour: light green.
- Fragrance: almond.
- Other: contains solvents and pumice.

OTHER SOAPS

MANOGEL

Handwashing gel with allantoin

Cleans hands that are soiled with grease, lubricants, paints, inks and certain adhesives. Rinsing is not required.

Properties

- Colour: blue.
- Odour: alcohol.
- Other: can be used with or without rinsing.

WHISPEX

Hand cleaner and moisturiser

Does not cause dryness or cracking of the skin.

Properties

- Colour: pale blue.
- Fragrance: floral.
- Other: only a small quantity is needed to ensure that hands are quickly cleaned and moisturised.

PAINTHOR / PAINTHOR V

Handwash specifically designed to remove paints

Formulated for the removal of dirt caused by all types of paints, effectively and gently. Available in 250ml tube and in 3L bucket.

Properties

- Colour: white.
- Fragrance: green apple.
- Other: also suitable to remove residues of adhesives, sealants and resins from the skin.

ZEPTIL MAINS

Profound cleaning and sanitizing liquid hand soap

Can be used in the food industry, for gentle but very effective cleaning and disinfecting.

Properties

- Colour: blue.
- Fragrance: practically odourless.
- Other: does not stain, contains no abrasives.

HAND OVER FIST

Heavy duty hand cleaner

quickly removes stubborn oil, grease, inks, dyes, wax etc. from the hands and skin. Contains Aloe Vera and does not cause dryness or cracking of the skin.

Properties

- Colour: blue.
- Fragrance: herbal.
- Other: thick formulation which means only a small amount is required to remove even heavy soiling.

HAND PROTECTION

PARADERM 21

Protective hand cream

Effectively protects the hands' skin from oil, greases, grime, tar, cutting oils, solvents, petroleum based products, chlorinated solvents and paints.

Properties

- Colour: light grey.
- Fragrance: floral.
- Other: Paraben free.

GLOVE

Ready to use protective hand cream

Non-greasy water based cream, protects against the penetration of dirt, grease and other chemicals. Acts like an invisible glove.

Properties

- Colour: white.
- Fragrance: pleasant.
- Other: soothes and protects, gives a fresh feeling.
